

CUSTOMER SERVICE SPECIALIST LEVEL 3

A customer service specialist provides expert support for complex customer issues across various sectors. They act as a referral point for challenging requests and complaints, often handling escalated problems. Specialists share their knowledge of the organisation's products and services with their team and use data to drive service improvements. They utilise organisational and general IT systems, working in environments like contact centers, retail, webchat, and other customer service points.

WHY CHOOSE INSPIRE ATA?

We work with high-quality training providers to deliver a wide range of training programmes through a blended learning approach that is tailored to each learner's needs. Inspire ATA recruits and employs each apprentice on behalf of the "host" client, enabling us to offer additional support and a better experience for both apprentice and client. We can also offer flexi-job apprenticeships which means we are able to offer short term contracts and other non-standard employment models.
